Reality Test I
Concept Description

Prepare a brief one-page write-up of your idea that could be the basis of the business plan. Use bullet points to address each of the following issues (see next page for format).

Concept
What is the essence of the business?

Opportunity/Need
What is the size of the market? What are the trends? What problem is being solved?

Product or Service
Describe the product/service. What is unique about your product or service? How will it be produced or delivered? How will it be sold?

What are the benefits to the target market? Why should they care?

Target Market
Describe the segment of the market that you plan to enter (demographics, psychographics, industry sector, etc)

Competitive Advantage
Who is the competition? How will you differentiate your venture?

Profitability
What is the revenue model? What is the contribution margin?
